

# How to submit a video assignment

Step 1: In your Moodle course, click on your video assignment

Click on the assignment link. It will look like the example below.

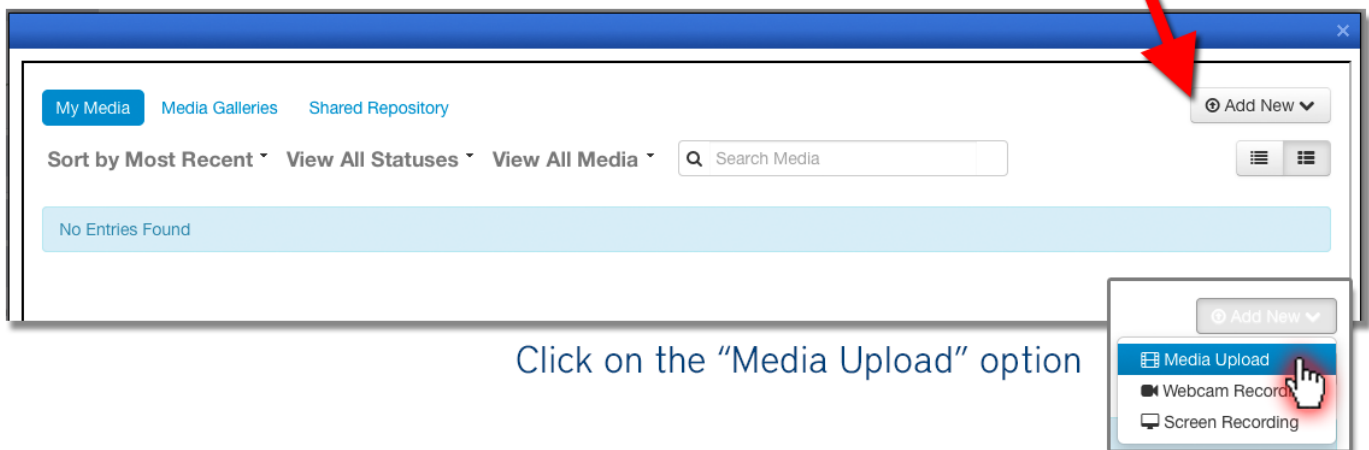

Step 2: Click "Add media submission"

Step 3: Click the "Add New" button on the upper right corner

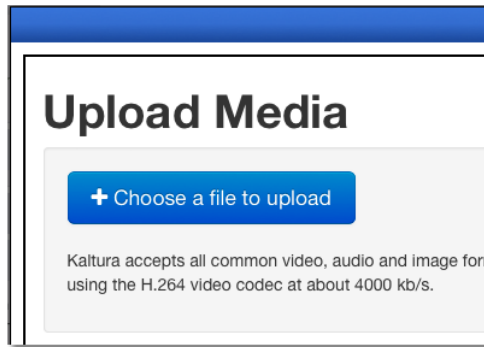

A pop-up panel will appear. Click on the "Add New" button

Click on the "Media Upload" option

# How to submit a video assignment

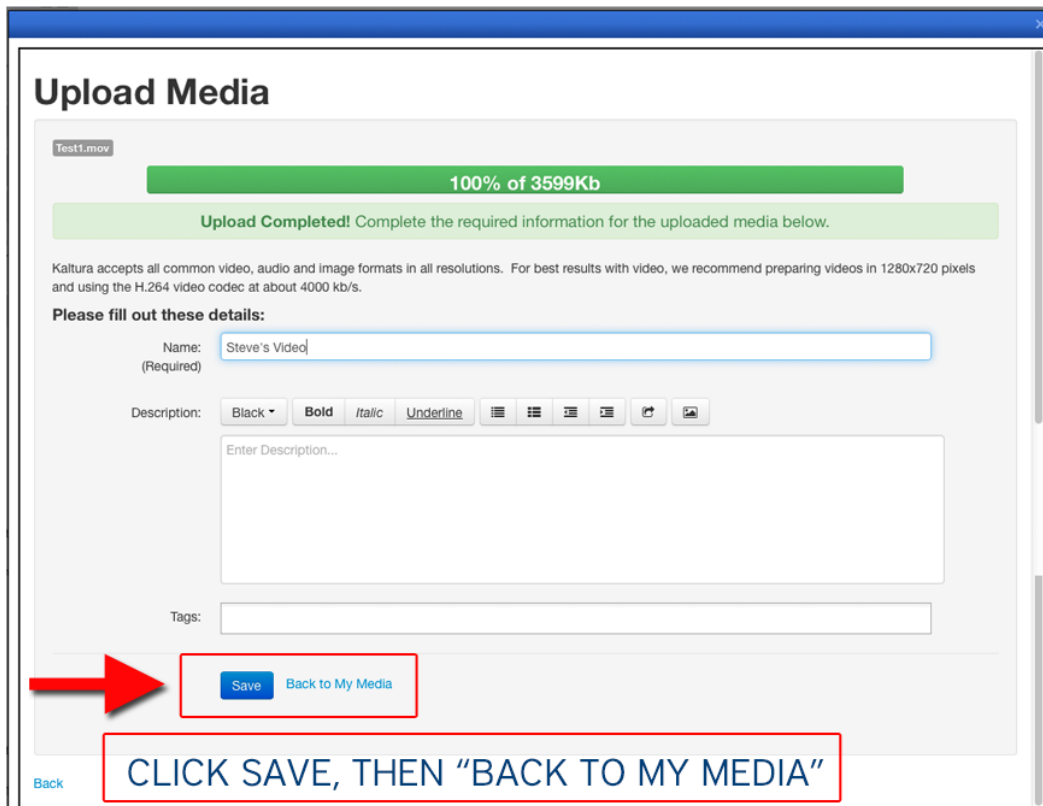

Step 4: Click on the “Choose a file to upload” button

Step 5: Upload your media

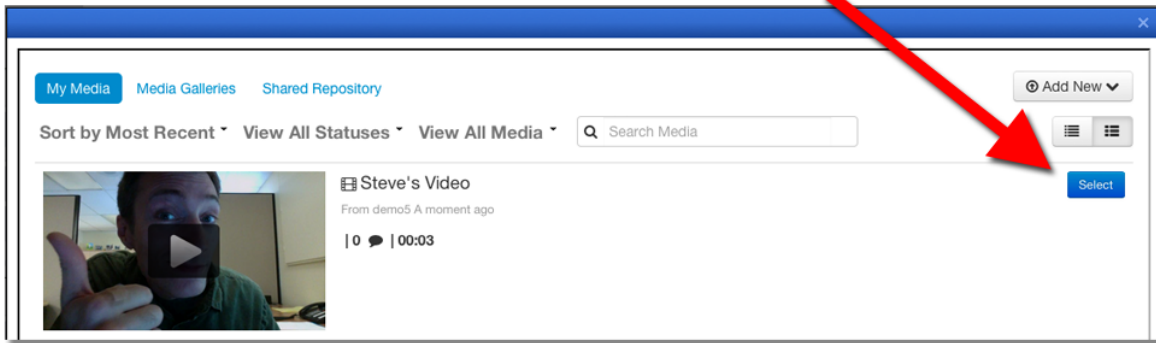

Navigate to your audio or video file and select it.

Once uploading is completed, click Save, then “Back to My Media”

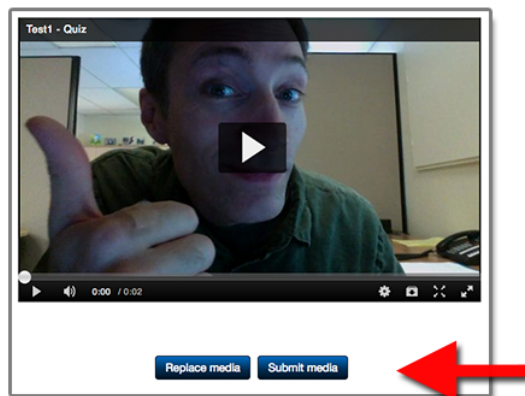

# How to submit a video assignment

Step 6: In the My Media panel, click the Select button

Step 7: Preview your video and Submit

Preview your video. If it is OK, click "Submit Media"  
If you want to use a different video, click on "Replace Media" and repeat the prior steps.

You must click "Submit Media" for it to be submitted for your assignment.
